I. On 23 October 1950, an EVD unit was observed to be quartered in a sixhouse compound on an unmand street located about 500 meters northwest of the railroad station of Siegnar-Schoenau near Chemniz (** 51/*) & 60. The rule conjugates and guarded within a residential area occupied by Gerran civilians. The street section running through the compound was blocked by wooden gates and guarded by personnel wearing red-bordered green epaulots. In the evening the windows of all six houses of the compound were lighted. The houses seemed to have two apartments each. Comment. The report confirms an EVD compound which, in a report of the summer of 1919, was described as being located on Rosmarinatasse, between Rathausstrasse and Limbachstrasse. Comment. The report confirms an EVD compound which, in a report of the summer of 1919, was described as being located on Rosmarinatasse, between Rathausstrasse and Limbachstrasse. Compound were tighted that an EVD guard detail or an NVD office, possibly of the Tismuth Cornoration, may be located there.			Sincere Color	REPORT N	O	25X1 C
DATE PREPARED 25X1 S 1 ENCLOSURES (NO. & WPE) 1 - sketch on ditto RENCE 1. On 23 October 1950, sn MVD unit was observed to be quartered in a six- house compound on an urmaned street located about 500 meters northweet of the railroad station of Sigmar-Schoenau near Chemnitz (N 51/K 66). The MVD corpound was situated within a residential erea occupied by Gerran civilians. The street section running through the compound was blocked by wooden gates and guarded by personnel wearing red-bordered green epaulets. In the evening the windows of all six houses of the compound were lighted. The houses seemed to have two apartments each. Comment. The report confirms an MVD compound which, in a report of the summer of 1949, was described as being located on Rosmarinatrasse, between Rathausstrasse and Limbachstrasse. Since it spears doubtful that an MVD muit should have been quartered in the small stx-house compound, it is believed that an MVD guard detail or an MVD office, nossibly of the Hamuth Corporation, may be located there.
